VIRTUAL BOOK CLUB

THE WAY OF BEATITUDE *BY FR. CASEY COLE*

What if we looked at the things we see wrong in the world with empathy, dug below the surface of people's disappointing actions to experience their pain, and understood hurtful words as a cry for consolation? What if we responded with sorrow instead of outrage, and love instead of hate?

In *The Way of Beatitude*, Fr. Casey explores the meaning of the words Jesus preached at the beginning of the Sermon on the Mount (Matthew 5: 3–12) and shows you how to get beyond apathy and despair and help Christ bring about the Kingdom of Heaven in the here and now.

By sharing his own stories of striving toward supreme blessedness, Fr. Casey shows you how to surrender power and move beyond the harmful divisiveness of our world.
